

CHHAJED GARDEN AGRO SERVICES

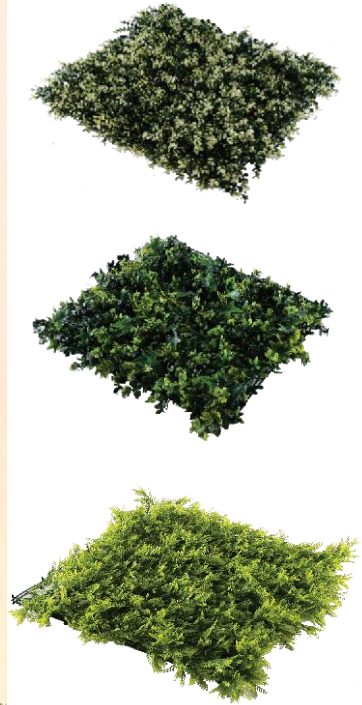

Bare, stark walls diminish the coziness of your home. Make the best of your walls by greening them with Supergrass luscious artificial green walls and transform your home into a beautiful, relaxing sanctuary. Whatever your needs are, we have a spot of green just for you. Choose from our ready-to-use framed designs in various sizes or customize your walls with our wide selection of artificial plants and greens.

Benefits:

- Practically maintenance-free. No watering or weeds
- Easily installable on any wall, indoor or outdoor, without the limitations of sunlight or the confines of space
- Cost efficient
- Stays green and luscious for many years
