At this site we used 420 Bamboos of 8.5 feet height (3742 B), cut them into 2 and installed 140 Bamboos per pocket. Thereafter we covered them with polished marble stones. The Real Touch leaf added beauty to the entire installation done outdoors.

50 Shoots of Golden Bamboo (4654) installed for a corporate office lobby.

Real Touch Leaf Bamboo (3472 B) used for screening at a covered podium parking level.
